

Paul in a Nutshell

Paul's Gospel and Mystery

The ascended Christ called the Jew Saul into a ministry to the Gentiles, changing his name to Paul.

Christ gave to Paul the ministry of reconciliation that Paul might go to the Gentiles, and the word of reconciliation that Paul might preach to the Gentiles the message God had for the nations in this 2000-year Age of Grace. Paul's 13 New Testament letters record this message.

Paul says many things about life and living, theology, and his ministry. However, if you boil it all down to the core essence, all Paul ever said in his preaching to the Gentiles is contained in two simple sentences that anyone can remember.

Paul's Gospel

Salvation by Gods Grace through our faith.

Paul's Mystery

Christ in you.
