

## Timeline of the Tribulation

---

As Adam and Eve left the Garden of Eden, a timer began counting down the hours that remain for man on earth. God designated 6000 years for man to rule over the earth, culminating with Christ's return and a seventh, 1000-year period of rest: the millennial reign of Christ.

**Fun Fact:** God created the world in 6 days and rested on the 7<sup>th</sup> day. God will restore the world in 6 periods of 1000 years each, and rest on the 7<sup>th</sup> period of 1000 years.  
 $6+1=7$

**Fun Fact:** God Codified His plan in the 4th Commandment: Remember the Sabbath:  
 $6 \text{ days} + 1 = 7$

**Fun Fact:** Every week, we live out the  $6+1=7$  model of God's plan for man on earth.

The time is at hand and our world is quickly drawing to a close. Here is what is about to happen:

1. Christ returns in the air to remove His Church: the body of Christ. This is everyone who has the Spirit of God. This event is often called "the Rapture" of the church. ("Church" in this context being the Pauline Body of Christ, a.k.a. Christ's Church.) This is not the church, the religion, or the religious of our day called Christian, who do not have the Spirit of God. The rapture also excludes all of the false fortune cookie religions of our world who pretend truth and wisdom in trite little sayings and made-up laws.
  - a. The Body of Christ is a remnant, a comparatively small group of people who have the Spirit of God, who have received the truth so as to be saved. Only these individuals will be included in the removal of Christ's Church.
  - b. The vast majority of religious people will not be included in the rapture due to the deception of the false religions they attend, and their lack of understanding, following a form of godliness, but **not receiving the truth so as to be saved.**
  - c. Many of the people in these false religions believe they have the truth, that they are following the truth, that they have God, understand the Bible, but are deceived by the satanic influence.
  - d. Some of the Christian religious deny there is any such thing as the rapture of the church, and feel quite certain that they will go through the Tribulation. They are right! They do not have the Spirit of God and cannot see or understand the numerous references Paul makes to the rapture in his epistles. They will certainly experience the Tribulation with all the other religious and non religious of our day.

- e. Those who believe they are among the faithful, but are not, will not understand until after the Body of Christ has been removed from the earth and the Tribulation begins. Just as it was in the days of Noah, ***“and they did not understand until after the rain began to fall and took them all away”***.
  - f. In the Tribulation, people find martyrdom and die for their own sins, so to speak. Today, God offers everyone salvation through Christ’s sacrifice on our behalf, saved by God’s grace. God removes the Body of Christ before His wrath / the Tribulation.
  - g. It’s just barely not too late to turn to God and receive His Spirit. Those who do not receive the truth so as to be saved will face martyrdom at the hand of the Anti Christ. The Book of the Revelation, the last book of the New Testament, describes the events of that 7-year period.
  - h. You might want to examine yourself and see where you stand before God. Are you in the truth and part of the Body of Christ, or following a false Christian religion void of God and His Spirit?
2. After the rapture, the Spirit of God having been removed, the world quickly devolves into lawlessness. Natural disasters and calamities will increase world wide. Many who deny that God exists, search for answers to explain the weather changes they see. They do not understand that what they call “climate change” is part of the birth pangs leading up to the end. It will not be the weather only, but society will begin to unravel into anarchy with murders, rapes, robberies, drug use, car wrecks, plane crashes, famines, floods, droughts, and unrest of all kinds all across the globe.
  3. The Antichrist will be revealed as he signs a treaty with Israel / the Jews, insuring their peace, and this allows them to rebuild their Temple. This is also the beginning of Daniels seven year Tribulation. There will be peace for a time, followed by the worst suffering ever seen on our planet. There has never been such suffering on the earth as there will be during this period.
  4. The people who remain on the earth, many under a delusion today, will receive a strong delusion that they might believe a lie, and they will follow and worship the world leader - Antichrist, and his false prophet. Many hundreds of millions of these worshipers are part of the Christian religion today.
  5. During the Tribulation, many of the religious people of today who do not have a relationship with God, do not have the Spirit of God, who are not included in the rapture, will finally understand and maintain their testimony of God to their death.
  6. At the middle of the Tribulation, three and a half years from the beginning, the Antichrist will go back on the treaty he signed with the Jews, and require everyone to have a mark on their hand or forehead to buy and sell. Those who refuse to take the mark of the beast, and do not follow the Antichrist, are killed, but live again in the millennium. Two-thirds of the Jews will be killed during this time, but God will protect and save a remnant of the Jewish people.

7. At the end of the seven years, the world unites in one last act of defiance against God, and come to do battle with God. Guess who wins that one.
8. Christ returns to earth and reigns in righteousness for 1000 years.

Before any of the above can happen, the church must fall away from the truth into full apostasy, essentially becoming void of all truth and of no further use to God. As of this writing, we have been there for most of the last 120 years.

**Amos\_8:11** Behold, the days come, saith the Lord GOD, that I will send a famine in the land, not a famine of bread, nor a thirst for water, but of hearing the words of the LORD:

**8:12** And they shall wander from sea to sea, and from the north even to the east, they shall run to and fro to seek the word of the LORD, and shall not find *it*.

Today is that day.

**Fun Fact:** Throughout the Bible you will find numerous repeating patterns that God is showing the world, that all might know the timing of the end of man on earth. God wants us to know! But only the wise will understand. These are the ones who have the Spirit of God.

**Fun Fact:** We are at the end of the 6000 years from Adam, the end of the 2000 year Age of Grace, the end of the last 120<sup>th</sup> Jubilee from Adam, and the end of the 120 year technological build up that began at the beginning of the last Jubilee at the turn of the 20<sup>th</sup> century.

**Fun Fact:** Every 7 years, the human body replaces every cell, making you a new you. This is yet another model of God remaking His creation in 7000 years.
