

## What You Need to Know to be a Child of God

---

### **Nothing!**

In fact, you won't know anything until you become a child of God. Until God gives to you His Spirit, the things of God seem foolishness. With the Spirit that God gives to everyone who seeks Him, you will know the truth and the truth will set you free from the ignorance of unbelief and false belief. As a member of the Body of Christ, your eternity with God is secured.

God's abiding Spirit provides guidance, direction, protection, and wisdom which will **change the way you see every part of your world and your life**. This will set you on a new course that will **change the way you live your life**. And you will like it! You will also find joy, contentment, and peace in life, even amongst the struggles of the day-to-day.

So, how do you become a child of God? Whenever a person realizes, recognizes that his or her life is lacking; falling short of where they want to be or where they know they should be, and their life does not measure up to God's standard, you feel shame for the way you live, that is God calling you: imprinting on your mind your fallen nature and your need for Him. To become a child of God, simply ask God: **"God, Help Me"**. God longs for men and women to turn to Him. That simple plea to God, if you mean it, will set you on a new path to a new life and a new you.

Simply ask. The rest follows naturally.
