**When it comes to religion, the majority is, and has always been, wrong.**

Consider the religions of the world:

- |                                  |         |              |
|----------------------------------|---------|--------------|
| • Catholicism                    | 1.2B    | WRONG        |
| • Protestantism                  | 900M    | WRONG        |
| • Anglicanism                    | 85M     | WRONG        |
| • Orthodoxy                      | 400M    | WRONG        |
| • Buddhism                       | 500M    | WRONG        |
| • Confucianism                   | 6M      | WRONG        |
| • Mormonism                      | 17M     | WRONG        |
| • Hinduism                       | 1.2B    | WRONG        |
| • Islam / Muslim-ism             | 1.8B    | WRONG        |
| • Judaism                        | 14.7M   | WRONG        |
| • Other Religious Beliefs        | 500M    | WRONG        |
| • Other Folk Religions and Cults | ?       | WRONG        |
| • Body of Christ                 | Remnant | <b>RIGHT</b> |

The entire collection of the worlds retail religions have two things in common:

- They offer nothing more than fortune-cookie wisdom in trite sayings, euphemisms, commands, rules, stories, and laws that have no power to change lives or save souls.
- They do not have God, their followers do not have the Spirit of God or salvation.

The Body of Christ is not a religion, it is a relationship with God, complete with the indwelling Spirit of God in those who turn to God.

**Fun Fact:** Religion of every type is the single greatest satanic deception ever perpetrated upon the world, from idolatry, Confucianism, Islam, Christianity, and the rest.

**The Body of Christ is not a religion, it is a relationship with God. The lost religions of our world cannot offer anyone God's Spirit or salvation. NONE OF THEM!**

**Where is the truth?** The single point for all truth that is God and man is in the Word of God that God gave the world for the purpose of revealing Himself - and the truth. Not only that, the Bible is profitable for learning about ourselves and the world we live in. It also speaks of the past we could

not otherwise know, and proclaims with authority the future before us. There is no other writing or collection of writings that compare to God's Word – not even close.

But having a Bible in your hand does not give you truth. Far from it. The words themselves are powerless, meaningless, useless - just ink on paper. To understand the Bible, a person must have the Spirit of God. Like a key, the Spirit unlocks God's Word and reveals the truth to the mind of the child of God. No one can see the truth of the Bible without the Spirit and that is exactly the way God created it! This same Spirit alone can change a person's life into a new spiritual creation. None of the religions listed above can do anything for anyone.

- No religion can change a person into a new spiritual creation.
- No religion offers eternal salvation.
- No religion has the Word of God.
- No religion has the Spirit of God.
- No religion offers a relationship with God.
- No religion has the true Almighty Creator God.

**It is the relationship with God that stands alone and above all religions, and is in itself complete. Religion is neither required nor desired for the child of God.**

Every religion on the planet offers nothing but empty words that sound good to the ear, but lack the power to change anyone into what those words say or mean.

The ascended Christ gave to the Apostle Paul the ministry of reconciliation and the word of reconciliation to deliver to the nations (Gentiles). These are God's words to mankind sent through Paul's epistles found in the New Testament . These writings are God's instructions to the world, and doctrines for those who belong to the Body of Christ. Very few people understand this.

Throughout time, it is always the remnant that has it right.

**Fun Fact:** Notice that the Mormon and Catholic Churches are alive and well in this day-and-age despite their total ignorance of all things God and Bible. Hinduism and Islam also thrive as does the Anglican Church, Orthodoxy, Buddhism, and Confucianism. So too, the cults and the occults, the atheists, and agnostics, and religions of the far east. There are numerous other religions that fit this mold including the many shades of Protestantism. All told, these belief systems represent billions of lost souls, the vast bulk of humanity.

God allows these false religions and all the non religions to continue as the wheat and the tares. Very soon, the removal of the Body of Christ from the earth (the rapture) will separate God's children from the lost and the religious, who follow a form of godliness, but deny the power thereof.
