

## The Devil Did It

---

How did we get from the Apostle Paul to where we are today? The answer is Satan. Here is a brief synopsis:

- As prophesied throughout the Old Testament, and right on time, Jesus came to earth, died for humanities fallen sin nature, and thereby reconciled God and man. Salvation is now available to all who turn to God.
- **Some Jews believed Jesus as their Messiah. The Romans called these Jews “Christians”. Gentiles were never called Christians**
- Peter was the minister to the Jews, never to the Gentiles, never wrote to the Gentiles, had nothing to do with the Gentiles, and was never a Pope in a Gentile Roman church.
- **Peter had his own Jewish Gospel for the Jews and never fully understood Paul’s Gospel and mystery.**
- Most Jews refused to believe in their Messiah resulting in God hardening the Jews and adopting the Gentiles, thus beginning the last 2000 years of mankind, known as the Age of Grace (now quickly drawing to a close).
- **Saul, who would become the Apostle Paul, hated, and vehemently persecuted the Jewish Christian believers in Jesus.**
- The ascended Christ appeared to Saul, a Jew, and converted him to the Apostle Paul in what has to be the ultimate makeover. Christ sent Paul to the Gentiles with a new message of Salvation by Grace through faith. It is God’s message to mankind. This message was not available to the Jews during the time of the four Jewish Gospels or the Acts 2 Jewish Christian Church.
- **Christ gave to Paul the ministry of reconciliation to go to the Gentiles and the word of reconciliation to preach to the Gentiles.**
- Christ also revealed to Paul the mystery hidden in God from the beginning of the world which is “Christ in you” - the indwelling Spirit of God. Again, not available in the time of the four Jewish Gospels or the Acts 2 Jewish Church.

So far so good. God set aside the Jews for a time while He began a new work in the Gentile nations. This “Age of Grace” would last 2,000 years while God called the world to Himself, offering salvation to all who turned to Him. That was 2000 years ago. If you haven’t realized it yet, this Age of Grace is all but over. So too, is the 6000 years of humanity since Adam, the end of the 120<sup>th</sup> Jubilee since Adam, and the end of 120 year countdown in a technological buildup that will usher in the end of mankind.

Enter humanities arch enemy, Satan. God's "new plan" of "salvation to all" put a real crimp in Satan's "old plan" of "damnation for all" that he has been pushing from the beginning. Satan fought back, thwarting God's efforts to bring salvation to the world; perverting the message of reconciliation at every turn, destroying the Pauline church, all the while through men and their corrupt religion, hiding and confusing the Bible.

Satan's war against God, and by default his attacks against mankind, produced the false religions we see in the world today. Here is a chronological account of the Devils workings in our world in his attempt to keep you from God:

1. **Beginning in the first century, during the Apostolic Age, Satan persecuted believers in Christ, Jew and Gentile, and set about confusing God's message to the world and destroying Christ's Church: the Body of Christ. Satan replaced Pauline doctrine with false religions that would become the Roman Christian pagan Church and later, Protestantism. Through the years, Satan concocted other religions including Islam, Buddhism, Confucianism, Hinduism, and others (all circa 600 AD).**
2. Some time after the apostolic period, a Gentile group began to use the name "Christian" to label their new religion that was, among other things, a mix of philosophy, humanism, superstition, mysticism, knowledge and more. Here, God's message He sent into the world through the Apostle Paul was forgotten, that being the "mystery" and "Paul's Gospel". Instead, the Christian religion focused on the four Jewish Gospels and the life and ministry of Jesus, and Jewish information they took out of context and applied to themselves. This led to many misunderstandings that became doctrines of the Christian Church (a religion that is not the Body of Christ). The four Jewish Gospels and the Gospel Jesus do not address the Gentiles, and the focus on these writings created 2000 years of confusion. This was a victory for Satan as the religion train jumped the track here never to right itself again.
3. **Even in the time of the Apostles, the Church Fathers despised the Jews, railing abusive rhetoric at them. This antisemitic attitude would endure to this day in the foundational theology and beliefs of Christianity called Replacement Theology and anti-Zionism. For this reason, God has not blessed the Christian Church and this is evident in**
  - a. **The confusion of their religion**
  - b. **The confusion of their Bible**
  - c. **The lack of the Spirit in understanding, wisdom, and direction**
  - d. **The kaleidoscope of religious derivatives that lack truth, unity, or direction.**
4. Satan wants to destroy the Jews and has worked effectively through men in the Christian religion toward this goal. Martin Luther was very helpful with his horrific writings against Judaism that Hitler used as a "How To" in his attempted mass genocide of the Jewish race. Satan was behind all of that.
5. **In the fourth century, seeking to find unity amongst the many religions of the day, Rome legalized and sanctioned a church he called Christian. This added paganism and other religions and beliefs to the mix of a religion and church that had no**

**resemblance to the Apostle Paul's Body of Christ, and was completely void of God's abiding Spirit.**

6. Another Satanic master piece was the elimination of God's Word through the Roman Church. Across the many centuries, the Roman religion outlawed Bibles, making them illegal to own or even read, then burning Bibles as fast as they could find them. This religion hid their Bibles, not allowing anyone to see them. Those who attempted to translate and print Bibles into a readable language were persecuted, even murdered. But it didn't stop there. Over the years, Satan, through Covenant Christian religions misunderstanding and misteaching, confused the Bible to the point that those who claim to follow the Christian religion today have no idea what the Bible says. Even with billions of Bibles in circulation, the followers of Christianity do not have a Bible.
7. **In the biblical dark ages, 500 AD through 1300 AD, under a corrupt religion, and without the Bible, people suffered greatly in many ways. It was during this period that Satan introduced the religions of Confucianism, Buddhism, Muslim-ism / Islam, and continued the misdirection of the Roman Church and Greek Orthodoxy.**
8. In the 11<sup>th</sup> century, the Roman Church waged holy wars against its detractors, sanctioning rape, torture, and murder in the name of their false god. Again, Satan did his work through men to accomplish his goal and the apostate Christianity cooperated fully.
9. **Over the next 500 years, the torture and murder continued in the government religion, still with no Bibles, no Word of God, and the people remained lost.**
10. With the advent of the printing press in the mid-15<sup>th</sup> century, Bibles became available to the people who were becoming literate. This was a two-edged sword: people had the word of God, but without the Spirit of God, there was no understanding. Left to themselves, people imagined what the Bible might mean and began creating religions based on their ignorance. The Anabaptist religion is a good example, and the Amish, and the Hutterites, and the Huguenots, Calvinists, Puritans, Quakers, Anglicans, Orthodoxy, Lutherans and others.
11. **Finally, fed up with the religious corruption, people began leaving the state owned church in a reform movement. This was a good thing that could have been better. Unfortunately, generation after generation, and centuries of bad religion, erased all memories of the Apostle Paul. Instead, the Roman religion established in the 4th century was all anyone knew. The four Jewish Gospels and the life and ministry of Jesus was the smoke screen that permeated religion, blinding its followers, and this continues today, five centuries later.**
12. Working in the background, Satan authored the Covenant Religion. Its goal as always, is to keep people away from God and the truth of the Bible; to sow seeds of wrong theology; giving everyone a form of religion, many religions that inoculate them against the real thing. This campaign of lies and deceit has claimed the souls of billions of people in the past, and over 2.5 billion souls living today.
13. **It is a true statement that Satan, through all religions, has successfully implemented the greatest deception ever seen in the history of this planet.**

14. Satan has not limited himself to the destruction of Christ's church. He is working through ungodly men and women in ungodly religions: cults, the occult, humanism, earth-ism, climate-ism, inordinate sex of every description, illicit drugs, destroying decency on a global scale, calling right wrong and wrong right, destroying billions of unborn babies, and fueling wars and genocide across the globe.

**Fun Fact:** What passes for religion today is an out-of-context understanding of God and the Bible. Satan has so succeeded in his ploy to destroy God's attempt to save mankind that today, with billions of Bibles in circulation, due to misteaching and a lack of God's Spirit, even while holding their Bibles in their hands, no one has a Bible.

Satan, who hid the Bible for 1500 years, has hidden God's word yet again, this time in plain sight, in every church, in every home, and in every hand, rendering them totally useless by way of confusion. All the while the people, overflowing with religion of every kind, believing they have the truth, wallow in deception, lost, blind, separated from God, and damned for all eternity.

It's ingenious!

Since the foundation of the world, Satan has been doing everything possible to destroy those who are its inhabitants; to debase, degrade, and ruin lives using our fallen nature against us; to inflict as much pain and suffering as possible. These are the things that feed and nourish his evil, demonic, insatiable appetite. There is no corner of our globe and no life that the Devil has not touched.

Look around. The Devil did it.
